1. Meeting was called to order by Bill.
2. Minutes were read and a correction was made on the date of March 23rd. Minutes were then approved.
3. Bill announced the need for someone to chair next years awards banquet. William Crane and Mary volunteered to chair next years banquet. Kim Milleman will be the MC for the banquet. Discussion began on possible speakers and a slide or video program.
4. Report on the 2003 marathon. Roger Wilson is not available at this time to be the race director.
5. Report on the Nutri Run Race by Sam Stephens. There are 38 pre-registered runners thus far. Everything is ready as far as t-shirts, food, registration, etc. A few volunteers are needed for registration, finish line and aid stations.
6. Don gave the opening prayer and a devotion on beautiful feet bringing the good news.
7. Don gave the treasurers report. Balance of \$ 22,092.98. Membership is at 419 for 2002.
8. Race calendar is being edited by Don at this time.
9. Tim discussed the inside track. For pictures to be placed he needs an actual picture. He would like to find persons who could be his "running reporters" to write for the inside track. There is a problem with all the different formats being sent to Tim for the news letter. It would be best if articles can be sent using word perfect. Also sending the newsletter via E-mail may become an option and a savings due to postage.
10. Judy reported the IPFW Health Fair will be on Mar. 27th at the Walb Union. The FWTC will have a booth there and JP Jones would like helpers that day. There will be over 80 venders. The Mastodon Stomp on Apr. 6th has 50 runners pre-registered. The course is on the IPFW campus and benefits the cross country and track teams.

NEW BUSINESS

11. Steve reports that the Rat Race has 3 sponsors not coming back this year. There will hopefully be one flying over during the race. There are 4 billboards for advertisement and spots on channel 55 during sweeps week. There will be a 5K walk added to the event. The route is more scenic and will finish in the old fort park. The Rat Race will not be a part of the News Sentinal Race Series due to the newspaper charging for the papers.
12. Mike Cole has 16 runners pre-registered for the Angola Half Marathon on June 15th. at 7:30am. Things are going well. Volunteers are needed.
13. Don registered the Runners on Parade race. No word on the race director.
14. Tom Landis asked how the points system works. Bill will add Paul to the agenda for next meeting for a clarification of the rules.
15. Don asked the board for the approval to buy a new answering machine for FWTC use. Motion was approved.

Next Meeting April 10, 2002, 7 P.M. IPFW

Need A Drink?

Practically everyday we thumb through community newspapers and read heart breaking, "why did this happen" real life stories. They involve all age groups, all income levels, and a variety of situations. Stories about accidents, domestic violence, child abuse, deaths, and police busting up destructive parties are regularly written. One common factor in most all of these.....alcoholic beverages.

Beer, wine, or liquor choices are considered fine in moderation for people with no history of alcoholism, drug abuse, violence, or depression. Moderation is defined as no more than two drinks for men and one for women per day. One drink equals 12 ounces beer, 5 ounces of wine, and 1 1/5 ounces of liquor. Many teens, college students, young adults, mid-lifers, and seniors drink much more. Some is fine yet over use can cause harm. Extra alcohol servings can trigger risky, unsafe, and unhealthy behaviors. Alcohol is toxic to brain tissue! Personal health, family relationships, friendships, work productivity, and innocent bystanders can all be harmed. It raises the risk for accidents, high blood pressure, extra body fat, heart disease, and liver disease. Extra drinking is involved in one-third of all suicides, one-half of homicides, and one-third of child abuse cases.

Who has a drinking problem? How does your drinking effect those you love?? According to Screening for Mental Health, Inc. Approximately one-half of US adults report family history of alcoholism or problem drinking!

What constitutes at-risk drinking levels? For men: greater than fourteen drinks per week or greater than four drinks per occasion. For women: greater than seven drinks per week or greater than three drinks per occasion.

Other indicators of an alcohol problem:

- * Regular drinking to calm nerves, forget worries, or boost a mood
- * Inability to cut down or stop drinking
- * Causing mental or physical stress to someone else during or after drinking
- * Needing to drink greater amounts to get the desired results

What causes problem drinking? There are multiple reasons. Physiological, psychological and social factors all can play a role. Some drink to cope or self medicate, some for pure enjoyment, some due to peer or family pressure..... there are many factors.

The good news is that assistance and support is available to break the harmful alcohol abuse cycle! Yes, those first steps towards a lifestyle change are always real tough. Yet with professional guidance, support, new skills, education, awareness, and personal interest life becomes better with less alcohol!

Assistance and support is only a phone call away. Here are some sources:

- * Mental Health Association of Allen County, 227 East Washington Blvd. Fort Wayne, Ind. 422-6441
- * National Alliance for the Mentally Ill (NAMI)- P.O. Box 6143, Fort Wayne, Ind. 46896, 447-8990
- * Parkview Behavioral Health- 1720 Beacon St., Fort Wayne, Ind. 46805, 373-7500
- * St. Behavioral Health, 700 Broadway, Fort Wayne, Ind. 46802
- * IPFW Joanne Lantz Counselor Education Clinic, 481- 5479
Neff Hall, Room 243
- * Park Center- 909 East State Blvd. Fort Wayne, Ind. 46805, 481-2700
- * Family and Children's Services- 2712 South Calhoun St., Fort Wayne, Ind. 744-4326

Web sites: www.niaaa.nih.gov, www.health.org, www.al-anon.alateen.org, www.mentalhealthscreening.org

Friends and family members can be extremely helpful in guiding a person towards freedom from alcohol problems. They can offer beneficial support, a caring attitude, and helpful resources.

Need a drink? How about having a glass of fresh water, vitamin "C" rich juice , V-8, or a fruit smoothie. Make a fruit smoothie by blending together 1 cup milk(or vanilla soy milk or yogurt), ½ cup fresh strawberries (diced), 1 sliced banana (or another favorite fruit), 2 Tbls. sweetener of choice (optional), and 1/8 tsp. almond or vanilla extract (optional). Enjoy as a quick meal or snack.

Break free from alcohol overuse! Treat your body well! Drink more water, club soda, or seltzer water with a splash of juice and a twist of lemon or lime!

Best,

Judy Tillapaugh, RD

Prez Sez

PREZ SEZ:

This year promises to be a great year for running and our points competition. While some of the races have been completed (Fanny Freezer, Nutri-Run, Mastodon Stomp, Shoe Sucker 7 and Mile Championship), a goodly number of events remain.

The third annual Rat Race scheduled for May 25 will build on its early success with a non competitive 5 K walk. Even if you or your spouse or significant other do not run, you still have a activity to do together.

You may have noticed the Angola Half Marathon scheduled for June 15 on the race calendar. This race is new, and the race director promises a good time combined with a scenic tour of the Steuben County country side. The race begins and ends at the Circle in downtown Angola.

Another fun race is the Court House Classic 5K held in LaGrange July 6. The "goody" bag is one of the best I have ever seen and the hospitality and race atmosphere is outstanding. There are trophies for age group winners as well. This is the third running with both the start and finish at the County Court House.

Consult the race calendar in each issue of Inside Track as well as the Web Site (www.fwtc.org) for future races. These race calendars are constantly up-dated for your running pleasure. Enjoy!

On a sober note, no one has stepped forward as Race Director for the 2003 Marathon and it appears that this event will not occur as hoped. If YOU want to race direct the Marathon, contact me immediately.

Gotta run,

Bill

HUNTINGTON SHOE SUCKER SEVEN 2002 7+ MILES

Captured Scenes

Shown is Linda Keuneke seemingly helping Paul Knott to the Starting Line. Pretty impressive when considering Paul's 8th Place Finish!

It appears as though a lot more than just shoes were sucked from Hal Pearson during the Race. It really wasn't as warm as it looks.

The Overall Winner and RunnerUp chat about race strategy. Kevin Pensinger at right scorched the course in 44:53 to win, while Mike Schoudel did his level best to stay in 2nd Place ahead of FWTC Newsletter Editor, Tim O'Connell.

The Women's Race was right down to the wire, with Linda Keuneke outsprinting Diana Schowe to the tape. This was the race of the day.

Jed Pearson starting his all-out push to the finish line, easily winning his 50+ age group with an overall 6th Place finish.

Kevin Truelove, basking in the satisfaction of completing another race.

On Track with Mandy Knuckles

by Jed Pearson

Mandy Knuckles, the soon-to-be addition to a long list of former Carroll High School running stars, has chosen Cornell University in Ithaca, New York to continue her education and begin her collegiate running career this fall.

Mandy's running credentials include a 46th-place finish last fall at the IHSAA cross country finals where she helped carry the Lady Chargers to a seventh-place team finish at their first-ever state finals appearance. That was preceded by a seventh-place finish at the Manchester semi-state. She won the Manchester regional individual championship title last fall and two years earlier as a sophomore. She was the individual winner at the always tough Northeast Hoosier Conference meet and led the team to their championship title. She is a two-time winner of the West Noble Invitational. Last spring in track she won the Northrop regional in 3200m and looks to repeat as champion again this season. Mandy was named the 2001 Fort Wayne Track Club high school runner of the year for her accomplishments at Carroll and her success in many local road races.

Many of us can remember watching Mandy run for the first time in middle school as a tiny little girl who always seemed to hide in the shadow of her teammate Carolyn Magley. "That little girl is going to be very good someday," long-time Carroll track fan Gene Striggle told me back then. Gene was right. Over the years, Mandy moved to the forefront and developed into a very poised, athletic young woman with a very strong will to win. Mandy's willpower and drive to improve, along with the support of her family and medical specialist, helped her overcome some late-race breathing problems and propelled her to the level of success she enjoys.

Back in middle school, Mandy had another habit, one that she carried throughout most of her high school career. In the late stages of a race, usually with a comfortable lead, Mandy would take a quick look back to check on her competition, sometimes craning her neck to see where they stood.

Mandy certainly has a lot to look back on now, having out-distanced countless other runners. But more important, she has much to look forward to as she begins her career at Cornell. And if you've ever witnessed the determination on her face when she wants to win, you have no doubt that Mandy will succeed.

We asked Mandy a few questions about her college choice. And as the gracious young lady she is, she kindly replied. Here is the text of the interview.

RunWhitley.com: I hear you have chosen to attend Cornell but not yet signed a letter of intent. Is that correct and are you ready to make an announcement about it? You've got a lot of running fans out there and I know they're interested in your college plans.

Mandy: "I am going to Cornell. It is okay to announce it because I sent the acceptance letter Friday."

RunWhitley.com: Why did you pick Cornell and what schools were you looking at the most?

Mandy: "I chose Cornell for the opportunity of an Ivy League education. They also have a great running program. I was contacted by somewhere around 100 schools. I narrowed the list down to Cornell, South Carolina, Butler, Valparaiso, Rutgers, Columbia, Brown, and Northern Arizona. Ultimately the choice came down to where I felt I could get the best education and where I felt the most comfortable."

RunWhitley.com: What kind of running program do they have?

Mandy: "They qualified for cross-country nationals in the fall and they were the ivy league indoor track champions this season."

RunWhitley.com: Upstate New York is a very pretty spot - would love to live there myself. What are some other things that attracted you to Cornell?

Mandy: "We visited Cornell and I felt it was the place for me. The campus and Ithaca are beautiful. The coaches are also very nice."

RunWhitley.com: I hear you are ranked very high academically in your class at Carroll. Wow - very smart too! What do you plan to study in college?

Mandy: "I am going to study political science, government, and history. I want to be a lawyer and hope to go to law school."

RunWhitley.com: Have you met your coach and talked about training and events you'll run? Do you plan to run both cross country and track for them?

Mandy: "The coach, Lou Duesing, is a very nice guy and I talk to him weekly. We discuss training, their meets, and my meets."

RunWhitley.com: What do you think will be your biggest challenge next year as a freshman? Any other comments?

Mandy: "I know the academic work at Cornell will be very challenging and so will the running. They have very fast girls from all over the country and even Canada. My goal as a freshman is to improve and be on the varsity so I will be training very hard this summer. Thanks for all your support over the years."

The waiver will be kept on file. \$1.25 of your annual dues goes to the RRCA for your subscription to the quarterly magazine, FootNotes, that you receive as a member of the Road Runners Club of America.

CLUB MEMBERSHIP APPLICATION WAIVER

I agree for myself, and any other person named on this application, that: I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, Fort Wayne Track Club, and all sponsors, their representatives and successors, from all claims or liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all the foregoing to use any photographs, motion pictures, recordings, or any other record for any legitimate purpose.
