Check out our web site at [www.fwtc.org](http://www.fwtc.org)

Running groups in Fort Wayne, Fort Wayne Track Club (FWTC) meeting minutes, Points Races 2003 reports, interest articles, announcements, member profiles, birthday lists, event calendar, race results, and more fill our bi-monthly issues of The Inside Track Newsletter. Special announcements, event calendar, event web pages, and FWTC membership information are just some features of our www.FWTC.org web page. These primarily were created and maintained as a means of communicating useful information to FWTC members and potential members. Both the Inside Track and FWTC web page are completed by very dedicated volunteers. Their creative, professional contributions definitely are a reflection on how to treat others with healthy news.

Rose and Tim O'Connell have been our FWTC Inside Track Editors the past two years. Vern Cedar has been our FWTC Web Page Coordinator for 7 years, since it started in December of 1996. Words can not fully describe how much we appreciate their high quality work. What we see and read is just a tip of their work pyramid. Thank you Rose, Tim, and Vern for all your time and talents.

Yet, the time has come for schedules to change. Time for new opportunities and new ways to stretch the muscles. This is Tim and Rose's final issue as editors of the Inside Track. Anne Duff and Tim Zumburum will be the new Inside Track Co-Editors. Cindy BeMent is willing to assist. Tim and Rose will continue making contributions. This team approach will have many advantages, especially as a way to spread out the responsibilities. Know that you too can contribute! Feel free to write interest articles, letters to the editors, member profiles, a summary of a recent race, or maybe a silly story. The Inside Track is your FWTC newsletter. We welcome your input and creativity! We do want it to be seen as more than race results and thoughts from me.

Currently the **FWTC Web Page Coordinator position is open.** This too could be done with a team approach. **Do you have an interest?** Maybe you know another fitness enthusiasts with web page talents? If yes, do contact me.

Just recently Amy Stephan stepped in as our new Marketing and Promotion Coordinator. Her enthusiasm for increasing awareness of FWTC activities is high. Look for the FWTC display board, race brochures, and event handouts at most upcoming events. Your great Amy!!

**Thanks again Tim, Rose, and Vern for all you have given to the Fort Wayne Track Club.** You have kept FWTC communication on the right track.

1. The meeting was called to order at the home of Judy White. Judy Tillapaugh welcomed Amy Stephan to the board. She is the new Marketing and Promotion chair. Jeff Metzger was also welcomed and he has agreed to help Beverly as director for the Nutri-Run next March 20th.
2. Don read from book "The Race Set Before Us" and prayer was offered.
3. The July board meeting minutes were read and approved.
4. Don read the Treasurer's report. The current balance is \$21,923.78. There was a \$515.66 loss in the account this month. Membership stands at : 479, with 168-(2 yr) and 50-(3 yr). The report was approved.
5. Tim and Rose were not present, but Judy Tillapaugh explained that they would like to resign as editors for the *Inside Track* by the end of this year. The club hopes to find someone who would be interested in taking over this position. The next deadline for the magazine is September 15th. It costs the Track Club almost \$1,000 to print and mail the bimonthly magazine. Upcoming races were identified such as a mile run at Spiece on Saturday and a triathlon at Summit on September 27th.
6. Mac McAvoy was pleased with the Parade Run. There were 601 finishers. The pre-registration at Dick's Sporting Goods worked out very well. Mac will need volunteers for the upcoming Parlor City Trot on September 20th. There will be a half-marathon run, 10K run and 5K walk.
7. Judy is currently looking for a company to take orders for FWTC shirts. It would be nice if members could order shirts and pay the company directly. One possibility is "On Time Sports" which is a local company.
8. Tom Landis would like members to read over the point's rules for next year and note any changes or suggestions. The board will vote on the rules and decide which races will be point's races in November.
9. Bill Harris would like board members to read through the updated bylaws, which were e-mailed last month. Please e-mail Bill or Judy if you see anything that needs to be changed.
10. J.P. Jones updated the board on the summer speed workouts. Next year they will be at Snider. Many awards were presented the last night.
11. Amy Stepan has been calling race directors so she can bring the FWTC board and forms to the races. She is also getting information into the newspapers and hopes to find other groups and places to promote the club and races.
12. Rick Hilker is the race director for the Dupont 5K on September 13th. The race is all run on private property and all proceeds go to the FWTC. This is a point's race. Rick stated he has already received offers to help with the race but could still use more volunteers. Over 200 runners are expected to run the race.
13. Mitch Harper reported that the Huff would be featured in the *Trail Runner* magazine. The race will be held on December 27th. Many of the trails and parking lots are still flooded. Mitch will need help clearing the trail in October.
14. Vern Ceder would like to step down as the Webmaster for the FWTC. Anyone interested in this position should talk to Judy.
15. The Zoom thru Zulu 10K is set for October 12th. This is a certified course. Mitch will need volunteers to help with this race.
16. Don raffled a running jacket and the meeting was adjourned.

**Next Fort Wayne Track Club  
Meeting is October 8th**

## Living Like Lance

Incredible and inspiring are two words to describe Lance Armstrong, Winner of the 2003 Tour de France. With the strength and support of his U.S. Postal Service Team, he mastered the challenge against 200 other skilled cyclists during tough weather conditions and over 2100 miles of mountains, flats, twists, turns, and narrow streets. Watching him achieve his 5<sup>th</sup> victory proofed to me the power of the mind and body against all odds.

“It’s not about the bike.” stated Lance in his book titled It’s Not About the Bike. “Riding The Tour de France is a metaphor of life. It’s not only a the longest race in the world but also the most exalting and heartbreaking and potentially tragic. Winning the Tour was a symbolic act, proof that you can not only survive cancer, but thrive after it.”

In his book the whole real life drama of his 1996 battle with testicular cancer was covered. There are details on how it related to his relationship with life and relationships with others like his physician, other cancer patients, coach, teammates, mom, wife and child. The life changing experience gave him a tougher competitive spirit yet he also became more compassionate and caring. His acronym for CANCER: Courage, Attitude, Never Give Up, Curability, Enlightenment, and Remembrance of My Fellow Patients.

Life does offer various twists, turns, ups, and downs. The challenges can not be chased away. It is up to us to be “Lance Like!” We can train the body and mind for better flexibility, strength, and endurance. We can face the mountains, cruise in the sunshine, adjust gears as we go, and wear our own special jersey. We can not change others but we change ourselves which will likely have a positive influence on others. During a break today or tomorrow think about how you can invest in enhancing your life. Keep the change easy and achievable like identifying a regular training partner or group, seeing a personal trainer for strength training guidelines, using leaner meats, planning for a couple fruit servings daily, skipping the pop and having more water, or scheduling a cancer screening

To improve endurance skills plan to attend a group run or walk like Hilker’s YMCA Downtown Saturday’s at 7 am Group, Harper’s Huff Training Runs every Sunday morning, Kim Milleman’s Y @ Dupont Saturday’s at 7 am, Tammy Behren’s Weekend Group, Casey and Eric’s Nightly Group, or create your own group. For more information, note the page here in the Inside Track on running groups. Group time does make the ups and downs easier!

Live Like Lance!

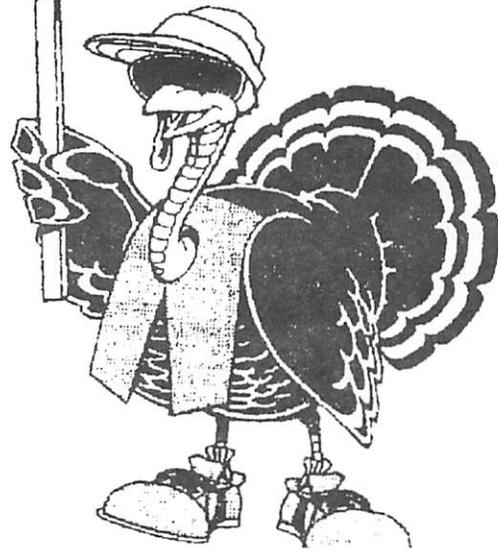

Best,

Judy Tillapaugh, RD

*The Dupont 5K Race* on September 13, 2003 was a great day to run with many area runners participating. The race saw 221 finishers and the course wound it's way around the Dupont Medical Center complex making for a challenging and enjoyable race. Some top male finishers are below right to left: Reuben Njay (3), Mark Furkis, (5) - and he's 47 years folks! And Eric Ade (4). We regretfully have no picture of the female winner, Amy Begley.

The Fort Wayne Track Club has obtained an insurance policy through the Road Runners Club of America which gives coverage for various events. Through this insurance we are covered for weekly runs, picnics, socials, and volunteers at races and other club functions. Please sign a waiver if you have not already done so. The waiver will be kept on file. \$1.25 of your annual dues goes to the RRCA for your subscription to the quarterly magazine, FootNotes, that you receive as a member of the Road Runners Club of America.

## **CLUB MEMBERSHIP APPLICATION WAIVER**

I agree for myself, and any other person named on this application, that: I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, Fort Wayne Track Club, and all sponsors, their representatives and successors, from all claims or liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all the foregoing to use any photographs, motion pictures, recordings, or any other record for any legitimate purpose. I understand and will abide by the guidelines that bicycles, skateboards, baby joggers, roller skates or blades, animals, and radio headsets are not allowed in club races.
