FWTC Board Meeting 8/11/04

1. Judy called the meeting to order.
 2. J.P. read from *The Race Set Before Us* and offered prayer.
 3. Judy introduced a special guest Dr. Mark DelBello who designed a Boston Marathon poster which he displayed to board members. He is selling the laminated posters in three different sizes and 25% of the proceeds will be donated to the American Diabetes Assoc. He will have a poster on display at the *Three Rivers Running Co.* He is trying to lower the cost of producing the poster, but at this point a 40 x 24 poster is \$148.00 and a 36x21 is \$98.00.
 4. The July meeting minutes were read, corrected and approved.
 5. J.P. presented the treasurer's report. The current balance is \$22,616.99. The bills for the Runner's on Parade and Rat Race have not all been paid yet, so it is difficult to determine the proceeds from those races at this time. The report was approved.
 6. Bill Sohaski reported on the AMB chip timing system. He reported that information concerning the loan agreement stated at the July meeting was inaccurate. He checked with the loan officer at 5th-3rd Bank who said everything was in order, and no additional signatures were required on any documents. Bill stated that the AMB system was used at the Summit City Triathlon/Duathlon and worked well. Bill stated that a small fee was charged for the service.
 7. Chuck stated that the next newsletter deadline will be September 17th. Chuck also has a new e-mail address which is: (chuck@zumbrun.net). Chuck stated he prefers information be sent via Microsoft word. The feature article in the next issue will be about Joe Ziegler.
 8. Amy passed out brochures about the Citywalk in New Haven on August 28th. She will have a FWTC booth set up at the expo there from 9:00-12:00.
- Anyone wishing to help at the booth should contact Amy.
9. The Dupont 5k is Sept. 18th at 4:00PM. Don has flyers for the race and the AMB system will be used.
 10. The Parlor City Trot is Sept. 25th, and you can register on line for that.
 11. J.P. displayed an afghan with the FWTC logo on it. It is blue and green and of nice quality. The board voted to purchase 25 afghans to sell to club member and to possibly use as points series prizes or race prizes. The afghans sell for \$33.00 each.
 12. Judy will present a proposal at the September meeting to make the November 10th board meeting an annual meeting so that any FWTC club member could attend and vote on the points series races for 2005 and have voting privileges for the election of officers. The meeting would be moved to a bigger room to accommodate a larger group.
 13. The FWTC banquet is usually held in February. Volunteers are needed to organize this event. The club needs to decide on a speaker for this event and some suggestions were given.
 14. Tammy wants to know if she can get the support of the FWTC to promote her Mini-Marathon training group. Her fee for the training is \$50.00. The club voted to support her with free advertising in the newsletter and advertising on the web page. The club would like her to use the FWTC logo on her brochure.
 15. Phil announced that the new updated FWTC membership brochure is ready but still needs a new picture for the front. He requested that pictures for consideration be sent to him.
 16. The meeting was adjourned and the next meeting will be Sept. 8th.
- Attendance:** Judy Tillapaugh, Phil Suelzer, Judy White, Don Anderson, Mitch Harper, Bill Harris, Steve Hilker, J.P. Jones, Bill Sohaski, Amy Stephan, Chuck Zumbrun

FWTC Board Meeting 7/14/04

1. Judy called the meeting to order and introduced Jim Teegardin and Mike Thurston.
2. Don offered prayer and read from the *The Race Set Before Us*.
3. The June minutes were read and passed with one correction on #8.
4. Don read the treasurer's report and the current balance is \$22,955.48 with a net profit this month of \$2928.22. The report was approved.
5. Mitch stated that according to Robert's Rules, the board *could* have voted on the amendments to the By Laws at last month's meeting, correcting Bill's assessment. Mitch also pointed out that the loan agreement with the bank should have been signed by the secretary (Judy White) and it was not. He stated that the resolutions were not voted on by the board, and that ratification of the Corporate Resolution must be passed by the board.
6. Judy read the proposed Amendment to the By laws: Article II #2. and #3. A written vote was taken and the two Amendments were passed by a vote of 20(yes) and 1(no).
7. Bill S. passed out a Final Fact Sheet concerning the AMB Chip Timing System. Some discussion about a race director's responsibilities concerning the system took place. Phil suggested we cease discussion and vote on the system. Bill moved to approve the purchase of the AMB chip timing system. A written vote was taken, and the results were: 14 (yes) and 7(no). A yes vote of 2/3rds of the board members present was needed to pass the motion. The 2/3rd requirement was met and so the motion passed to purchase the AMB system.
8. Chuck stated that the next *Inside Track* would be out soon and everyone should check the race calendar for upcoming races.
9. Mac reported on the Runner's on Parade race. There were 608 runners registered. The results were fast and accurate. The runners did not realize that the second mat actually timed the event and so slowed down after crossing the first mat. This will be improved at the next timed event.
10. The USTF President Teegardin and the Snider coach Matt Parker and Gary Bird are co-directing a USTF Cross Country State Meet at IPFW on November 20th. Volunteers will be needed to help with this event. There are 5 divisions for boys and girls. Teams must be a club and pay the \$25.00 dues. Individual dues are \$15.00. Participants must be members of the USTF by Nov 1st. to enter the event. The top 20 finishers will receive medals and advance on to the regional. There may be 400-500 runners competing in this event.
11. Tammy explained that the "New Board Member Packets" were in the process of being assembled to be given to new board members. These packets would contain useful information about the FWTC such as: board member responsibilities, volunteer opportunities, FWTC By Laws, board member list, instructions to use the message board on the web site, etc. This packet will hopefully be a good resource for new members.
12. The Dupont 5k will be Sept. 18th at 4PM. The course will be slightly different this year with fewer sharp turns.
13. The meeting was adjourned. The next meeting is August 11th.

Attendance: Judy White, Barrie Peterson, Mac McAvoy, Diane Schowe, Bill Crane, Bill Sohaski, Bill Schmidt, Marsha Schmidt, Chuck Zumbun, Mike Thurston, Sam Bird, Gary Bird, Jim Teedardin, Michael Fruchey, JP Jones, Mitch Harper, Tom Landis, Tammy Behrens, Bill Harris, Katie Creighton, Phil Suelzer, Anthony Juliano, Judy Tillapaugh,

Eating Habits

By Judy Tillapaugh, RD

Think a moment! Who taught you to eat? What influences your food choices? Mom, grandparents, past teachers, friends, or TV?

We learn eating habits from people we spend quality time with. What we hear and see effects our thoughts and actions. How we eat, like other life skills, is primarily learned from others we live with. Day by day we practice what we learn which naturally becomes a regular, comfortable routine. Answer the following questions to learn more about your current eating pattern.

American Dietetic Association Healthy Habits Quiz:

Do You and Your Family.....

Have regularly scheduled mealtimes	Yes	No
Eat meals together once a day	Yes	No
Plan snacks	Yes	No
Tailor portions to each person's needs	Yes	No
Try to make meal time enjoyable	Yes	No
Avoid making everyone clean their plate	Yes	No
Make meals last more than 15 minutes	Yes	No
Eat only in designated areas of the home	Yes	No
Avoid using food to punish or reward	Yes	No
Enjoy physical activities 2 - 3 times a week	Yes	No

How many Yes's! How Many No's? What's your score? The more Yes's the better!!

Consider setting a goal to change a "No" to a "Yes". Anything that was learned one way can be re-learned in a new and different way. For example, if you have no planned snacks, if you eat whatever, whenever, then begin planning nutritious snacks. Just this change can help you save calories and lose some extra fat, plus enhance your vitamin/mineral intake.

To challenge the No's further and help you and your family earn an "A" for nutrition this upcoming school year, set one or two small goals each week. Team together as a family and make things happen. Remember....change takes time. Even after you have incorporated new healthy foods and physical activity into the routine it takes time for it to feel completely normal. Do not expect perfection. What counts is what we do most of the time. Week by week during the whole up coming school year each goal will compliment other goals!

Sample goals:

1. Listen to how you talk about healthy food. Is it positive or negative? Think Positive!
2. Be a role model by eating a simple breakfast or skipping extra servings.
3. Involve kids in planning meals and snacks.
4. Use less sugar by buying less pop, fruit punches, and candy.
5. Schedule two family dinners during the upcoming week and take at least 15 - 20 minutes to eat

For more nutrition education look up www.eatright.org and go to food and nutrition information.

Have a healthy day!

Tunnel Vision

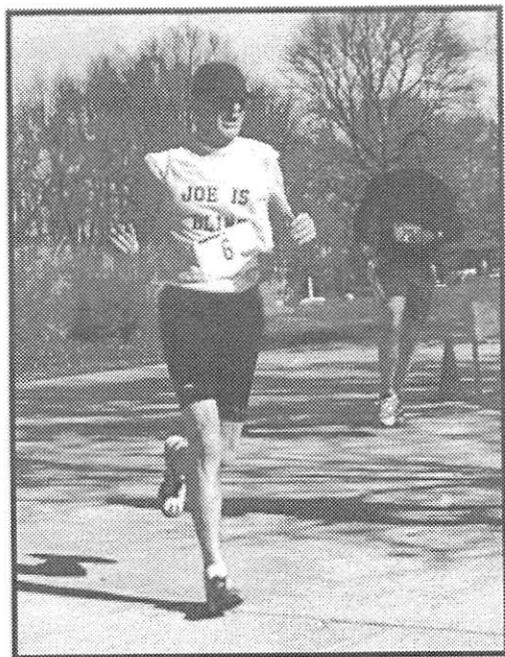

By Joseph Ziegler

With Sarah Kleinknight

My name is Joe Ziegler. I'm 68 years old and I have Petinitis Pigmentosa or R.P., better known as tunnel vision. I've been running as a member of the FWTC for 29 years and I love to run. But running with R.P. can be a risk to one's health for two reasons.

The first is a risk to my physical health. Let me explain my vision problems. Normal vision is, for example, from shoulder to shoulder - 100 degrees. My vision is 12 degrees in my right eye. If I stand right in front of you and look at your right eye I cannot see your eyebrow, nose, cheek or ear. Actually my vision is about the width of a woman's thumbnail. I have no peripheral vision in either eye. I have only shadow vision in my left eye. To make matters worse I have night blindness which means my pupils do not adjust immediately when the light dims or brightens. It takes about 10 seconds for the pupils to adjust.

Because of the vision problem I have scars all over my body from collisions with street signs, posts, automobiles, bicycles and people. I've tripped over tree roots, rocks and curbs I never saw. When I am out running I wave at everyone. I think to myself as they pass by, "thanks for missing me." I also think if these people believe they might know me they won't be as likely to hit me. So far it has worked pretty well.

Joe Ziegler

The second reason is the risk of injuring another runner. My greatest fear is injuring another runner, especially one of the young kids. These runners tend not to notice my "Blind Runner" tee-shirt in their enthusiasm for the race. My dilemma is that I have enough vision to run without a guide (someone leading me with a rope linking us together) but not

enough vision to avoid someone darting around me and not yet in my line of sight. I want to continue to run without a guide but I can't avoid hitting what I can't see.

I've thought it might be helpful if I was given a handicap start of, say 5 minutes, but then where would the sport in that? Actually I think a better idea would be to have the race starters or directors announce to all the racers that there are runners participating that do not have good vision or quick reflexes. Just a gentle reminder to all runners to be respectful of each other, perhaps that would be enough.

I want to thank the many members of the FWTC who, over the years, since 1987 when I went "blind," have helped me continue to participate in racing. Thanks to Bob Lumas, Dave Boylin, Don Lindley, Don Anderson, Tom Felger, Bill Schmidt and many others who have taken me to races, helped me register for the race, directed me to the facilities (very important even to the blind runner) headed me in the right direction at the start of the race and told me when to stop at the end.

I know that I am not the only person with a handicap in the running community. I hope talking about my vision handicap will help all runners to be more sensitive toward each other.

One of my greatest joys comes from running; whether it is in my daily workouts or a strong performance in a race. My hope is that I will be able to continue to run for many years to come.

FWTC To Elect Officers at November Meeting

The FWTC board approved that the FWTC meeting on Wednesday, November 10th be an Annual Meeting to allow the general membership input for the election of officers and selection of FWTC 2005 Points Races. Officers elected will be: president, vice-president, secretary, and treasurer. The term of office will be two years. Come join us!

The Fort Wayne Track Club has obtained an insurance policy through the Road Runners Club of America which gives coverage for various events. Through this insurance we are covered for weekly runs, picnics, socials, and volunteers at races and other club functions. Please sign a waiver if you have not already done so. The waiver will be kept on file. \$1.25 of your annual dues goes to the RRCA for your subscription to the quarterly magazine, FootNotes, that you receive as a member of the Road Runners Club of America.

CLUB MEMBERSHIP APPLICATION WAIVER

I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, Fort Wayne Track Club, and all sponsors, their representatives and successors, from all claims or liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all the foregoing to use any photographs, motion pictures, recordings, or any other record for any legitimate purpose. I understand and will abide by the guidelines that bicycles, skateboards, baby joggers, roller skates or blades, animals, and radio headsets are not allowed in club races.
