RRCA Condemns Course Cutting

From <http://www.rrca.org/news/index.php?article=2007>

Columbia, MD - On January 21, 2006, the RRCA Board of Directors meet in regular session, and during the course of the meeting, a brief discussion was held on a recent incident of course cutting condoned by a charitable group at a high profile event. As a result, the RRCA Board of Directors unanimously passed the following resolution:

The RRCA condemns intentional cheating of any kind in road racing including recent incidents of course cutting condoned by charitable groups. We believe condoning such actions, and not speaking out against them demeans our sport and sends a negative message to young runners.

"When someone cuts a course and crosses the finish line in order to get a finishers medal, they do not deserve the accolades of the achievement, because they have not earned it," states Jean Knaack, Executive Director. "The RRCA values and promotes fair and honest competition and the resolution from the Board reflects our organizational values."

Food For Recovery

By Judy Tillapaugh, RD

Most days of the week we make time for our favorite fitness activities like running and biking. It is our time to enjoy the great outdoors, be with a friend, achieve training goals, or meditate in motion. When all is finished prime time for recovery begins. Yes, the first 1 - 2 hours after exercise the mind and body are most ready to get re-fueled and re-hydrated. Failure to replenish used calories, nutrients, and fluids can limit abilities and can hurt total health.

How many calories does a runner use during a 30 minute run?
60 minute run?

The answer to these questions does vary from person to person since calorie expenditure primarily depends on a person's weight, length of exercise, and intensity.

Total daily calorie needs is a sum of essential calorie needs (10 x body weight) plus daily living calories (about 30-50% of essential calories) plus exercise calorie needs. A 120 pound person with a sedentary light lifestyle (30%) would need about 1500- 1600 calories (1200 calories plus 360 calories) a day for weight maintenance on non exercise days.

Daily calories come from the carbohydrate, protein, and fat content in foods and beverages. It's recommended that 50-60% of daily calories come from nutritious carbohydrate foods, 10-20 % of daily calories from protein sources, and about 25-35% of daily calories from fat sources. Most of the daily calories need to come from carbohydrate sources because the majority of mind and muscle energy is from the break down of glucose in the blood and glycogen in muscle cells.

Exercise Calorie Needs For A 120# Runner With A 6 Miles Per Hour Pace (10 minutes/mile):

30 minutes- about 275 calories
60 minutes- about 550 calories

Exercise Calorie Needs For A 120# Runner With A 10 Miles Per Hour Pace (6 minutes/mile):

30 minutes- about 440 calories
60 minutes- about 880 calories

Exercise Calorie Needs For A 150 # Runner With A 6 Miles Per Hour Pace (10 minutes/mile):

30 minutes- about 340 calories
60 minutes- about 680 calories

Exercise Calorie Needs For A 150 # Runner With A 10 Miles Per Hour Pace (6 minutes/mile):

30 minutes- about 544 calories
60 minutes- about 1088 calories

Exercise Calorie Needs For A 200 # Runner With A 6 Miles Per Hour Pace (10 minutes/mile):

30 minutes- about 450 calories
60 minutes- about 900 calories

Exercise Calorie Needs For A 200 # Runner With A 10 Miles Per Hour Pace (6 minutes/mile):

30 minutes- 720 calories
60 minutes- 1440 calories

As indicated, calories needs vary from person to person. The more you understand your personal calorie needs the easier it will be for you to give your body and mind what it needs at meals and snacks. This will energize you for your activities plus promote energy balance.

Plan to eat and/or drink at least 200- 400 nutritious calories and 2-4 cups of fluids with in two hours of exercise so you can re-fuel and re-hydrate properly. Think about what you want and pack it or have it ready so it is ready when you're ready for it. Discover what will work for you!!

Energizing Recovery Snack Ideas:

juice and a banana or favorite fruit	sports bar
sports drink and fruit bar	soy milk
flavored yogurt	soup
yogurt smoothie	pudding
pretzels or crackers	cereal
Ensure or Sustacal	muffin or bagel
potato or rice or pasta	lean sandwich
chocolate milk	frozen popsicle

Nutritious meals and snacks can help you be the best you can be. Make post running time prime time for re-charging. Give your mind and body what it needs.

Hit the Brakes!

Eating on the run or grabbing food from a bag are common eating methods for many Americans. But eating slowly may be better for your health.

Part of the enjoyment of eating lies in seeing what's on your plate, smelling the food and taking time to enjoy the process. Grabbing or eating on the run deprives you of the very things that make eating fun and healthier. By eating slowly, you may improve what and how much you eat.

Try these tips:

- Always eat from a plate
- Sit at a table
- Eat only when hungry
- Enjoy what you eat
- Eat what you like.

Focusing on what you eat makes it easier to sense when you are full and to stop eating before you overeat. Try eating slowly for enjoyment and your health.

NORTHROP BRUIN CROSS COUNTRY INVITATIONAL

Coach Peterson's Farewell

The 32nd Annual Bruin Invitational Cross Country Meet will be held at Spuller Stadium (Northrop High School) on Saturday, September 9, 2006. Because this is Northrop Boys' Cross Country Coach Barrie Peterson's final year of coaching after 41 years in the profession, this year's meet should be an extra emotional one for both him and his Bruin thinclads. Coach Peterson established this meet 32 years ago to replace the DeKalb Invitational, which was run in a similar format. One of Coach Peterson's favorite coaches to compete against was the then DeKalb Coach, Niles Walton, and so this meet was inaugurated in honor of him.

The Bruin Invite is run with a slightly different format from most other cross country meets. The meet begins at 8:30 a.m. with an unscored middle school race with several Fort Wayne Community School Middle Schools taking part. After the opening ceremonies at 8:50 a.m., the meet officially gets under way with the Freshmen and Sophomore girls' race at 9:00 a.m. followed by the Junior-Senior girls' race at 9:30 a.m. Then, the boys get under at 10:00 with the boys' Freshman Race, followed every half hour by the Sophomores, then the Juniors, and finally the Seniors. Each of the six races is scored individually by adding the times of each team's top three runners. And then a total team award is presented by adding the top five times from each competing school regardless of what grade level.

Beginning at 12:30 p.m., awards are presented to the top 15 boys and girls in the middle school race, the top 25 girls in each of the two girls' races, and the top 15 boys in each of the boys' races. Team awards are presented to the team champions in each of the six high school races and a total team champion award and runner-up are also awarded. The runners with the best female time and the best male time are awarded special plaques as male and female athletes of the meet.

Scheduled competing teams in the 2006 Bruin Invite besides the host Northrop squads are Bishop Dwenger, Blackhawk Christian, Chesterton, Concordia, Elmhurst, Eastside, Homestead, North Side, Northridge, Snider, Warsaw, Wawasee, Wayne, and Westview. If you want to see cross country at its best, you should not miss this exciting competition on Saturday, September 9, at Northrop High School!

FWTC Points Races 2006

Fanny Freezer 5K	Matthew 25 10K
Nutri-Run 20K	Kernel Klassic 5K
Mastodon 5K	Parlor City ½ Marathon
TRRC 12K	River City Rat Race 10K
Runners on Parade 5K	Turkey Trot
Fire Cracker 4 Mile	Just Plain 10K

Points Rules For 2006

- FWTC members must pay dues by Nutri-Run to be awarded points for the current year.
- Participants may earn 100 volunteer points for each race they work, with a maximum of 200 points counting towards their total points. Volunteer points are not mandatory. Points may be earned for both volunteering and running a race. There is no race completion minimum.
- Race directors will earn 100 points toward the series and there are no maximum points for race directors.
- Age group placement:
 - Age group placement is determined by age as of January 1st.
 - Age groups: under 19, 20-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-69, 70&over
 - Each race points are awarded based on your age as of Jan. 1st. Example: if you turn 45 after Jan. 1st, your place at the race will reflect your current age status, but your points will be recalculated into the 40-44 age division with other FWTC members the same age.
 - If the race has more age groups than the above, participants receive the points as earned in that race. It is possible for more than one participant to earn the same number of points in the "points series" age group. Example: if a race has a 60-64 & 65-69 age group, a first place winner in each age group would receive 100 points.
 - Points are given based on how participant's finish compared to other FWTC members.

Place	Points	Place	Points
1	100	6	55
2	85	7	35
3	75	8	25
4	65	9	15
5	55	10	10

Tasty Substitutions for Cooking with Alcohol

Bratwurst marinated in beer and onions * a splash of sherry to enhance cooking juices * chicken braised in wine. Alcohol can add to the flavor, tenderness and texture of your meals, but what if you, your family or your guests don't drink?

It is easy to make quick, flavorful substitutions for alcohol in recipes:

For white wine, use an equal amount of white grape juice, apple juice or nonalcoholic wine.

For red wine, use an equal amount of red grape juice, cranberry juice or nonalcoholic wine.

For port wine, rum, brandy or sweet sherry, use an equal amount of apple juice plus one teaspoon vanilla extract.

For two tablespoons of bourbon, use one to two teaspoons of vanilla extract.

For beer in soups, stews and other cooked dishes, use an equal amount of non-alcoholic beer, apple cider or broth.

Choosing to avoid alcohol doesn't mean you can't enjoy your favorite recipes made with beer, wine or distilled spirits.
