VOLUNTEERING—A GREAT EXPERIENCE

Barrie Peterson
President's Column

The Fort Wayne Track Club currently has over 500 members, most of whom run their fair share of races each year. During each race there are always a number of faithful volunteers—registration, Tee-shirts, course marshals, timers, awards, record-keepers, course set-up and tear-down, etc. This number of volunteers is a very small percentage of the total number of club members. Most of us take these volunteers far too much for granted, so they serve with very little fanfare. Therefore, first of all I would like to publicly and officially thank all of our race volunteers for the great job that they do. You ARE much appreciated!

One of the most faithful of all of our FWTC volunteers is Don Lindley. Not only is Don one of the charter members of this great organization, but he has served faithfully in the elected position of Treasurer for many, many years. Not only has he done such a super job in this position, but he is also the unofficial storer of all track club materials and supplies. This includes course signs, course set-up materials, race clocks and timing devices, computer-related equipment, etc. Not only does Don store these materials but he also manages to get them to the various races where they are needed—sometimes more than one in a single day and many times multiple races over a weekend. Don also volunteers his time to assist at many area races, not just FWTC events. Whew!! Just recently, Don submitted his letter of resignation as Treasurer for our organization and we are currently in the process of finding a replacement or replacements for him. Although we hate to lose Don in this capacity, it will be great for him to more time for himself and his family at this time in his life. He deserves this. What would be even greater would be for several people to step up and see how they might assist Don in his other volunteer capacities, particularly those related to equipment and race registration.

Just recently I had the opportunity to help Don in a very small capacity in inputting race entries on the computer for the annual Parade Race 5K. I also helped Mac McAvoy (another great FWTC volunteer) in stuffing envelopes for the Parade Race mailout. On the Fourth of July, I volunteered at the water station in the Firecracker Four Mile at Franke Park. Finally, our FWTC Board helped in the preparing of race packets for the Parade Race. WOW!! These were awesome experiences as I felt the joy of helping and easing the burden of others. When I run races, I always thank those who are on the course directing traffic or helping with aid stations, etc. This time when working the aid station on July 4, I was on the receiving end of those “thank yous”. What a great feeling this was and how fun it was to watch the runners go by and recognize so many of my friends in the competition.

One of the best ways we can salute Don Lindley is to become volunteers for FWTC events. It is truly a rewarding experience and will not only honor Don, but will ease the burden that falls on the precious few who currently volunteer. I know I will continue to do so!

Amy is a 1996 graduate from East Noble HS. While there, she was the 1994, 1995, and 1996 state champion in the 3200. She set the still-standing state meet record in the 3200 in 1996 with a time of 10:24.29. She was also the 1994 state champion in cross-country and runner-up in 1993 and 1995.

Amy continued her running career at the University of Arkansas where she earned 15 All-American honors in cross-country and track. She also won NCAA championships in the 5K and 10K.

From the Fort Wayne Track Club, we wish Amy the best of luck in Beijing!

Olympian Brian Sell Visits Fort Wayne

By Matt Parker

Brian Sell made an appearance at Pre-Registration for the Runners on Parade 5K race this year. He also met with area coaches at Fort Wayne Orthopaedics. Sell will run the Marathon at the Beijing Olympics.

Sell stressed to those he met with that hard work goes a long way in developing as a runner. With a modest PR of 10:06 for the 3200 in high school, Sell has developed himself into an athlete that can run faster than that pace for 26.2 miles!

From the Fort Wayne Track Club, we wish Brian the best of luck in Beijing!

Stay Fueled For Fitness

by Judy Tillapaugh

It is 1-2 hours before a workout. What should you eat and drink as a snack?

Your planning a 1 ½ hour to 2 hour long run or walk. What could you drink during the time period to stay energized and hydrated?

For post recovery nutrition, you know you should drink or eat something within 15 to 30 minutes after a long workout. What could you have ready and waiting for you?

These are all great questions with answers that would benefit all fitness enthusiasts. It is useful to eat or drink a small snack 1 to 2 hours before a workout and it is essential to have nourishment right after workouts. Think about using the guidelines below so your constantly nourished physically and mentally.

Day by day nutritious meals and snacks (especially before, during, and after workouts) can keep individuals fueled for top performances during practices and competitions. They will also promote total health and reduce a persons risk of getting sick.

These are just 14 options of what to eat before and after a workout. Find something similar if desired. Discovery what can work well for you!

For hydration, drink a glass of water 1-2 hours before fitness time. For post fitness rehydration, for every pound of sweat lost replace with 2-3 cups fluids. Sometimes weigh yourself before and after a run or walk so your personal rate of sweat lose.

Drink 4 oz to 10 oz. of these beverages or similar beverages every 15 to 20 minutes during workouts and competitions that are longer than 60 to 90 minutes. These will help maintain a normal blood sugar and hydration for more consistant muscular and mental energy.

Note: Carbohydrate gels, Gu's, shot blocks, or jelly beans could be used in place of the sports beverages. Drink 4 to 10 oz. of water when eating these products. The goal is to have about 30 to 60 gms. of carbohydrate per hour during a long period of activity.

Plan to use before, during, and after nutrition guidelines as part of an overall nutritious eating pattern. Eat 3 meals and 2-3 snacks daily. Stay fueled for fitness!

2008 FWTC Points Races

Fanny Freezer 5K (Feb)	Runners on Parade 5K (July)
Nutri-Run 20K (March)	Parlor City Trot Half-Mar (Sep)
Nutri-Run 5M (March)	Parlor City Trot 10K (Sep)
Warbird Brewing Co 10K (May)	River City Rat Race 10K (Oct)
3 Rivers RC 12K (May)	Turkey Trot 5K (Nov)

Points Rules For 2008

1. FWTC members must pay dues by February 1st to be awarded points for the current year. We will allow a grace period up to date of the Fanny Freezer 5K.
2. Age group placement:
 - a. Age group placement is determined by your age at the start of the race year (January 1st). This is the group all your points will go into for the year. Example: You are 44 on January 1st of 2007, in March you turn 45. Your points will continue to go into the age group that includes 44 until the end of the year.
 - b. FWTC Age groups: Male and Female under 19, 20-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-69, 70 and over
 - c. Some race directors opt to use different age groups than those of the FWTC. Points are earned based on that race's specified age groups. This means 2 people may earn the same points in one age group. Example: If a race director has a 60 - 64 age group and a 65 - 69 age group, the winners of each age group would receive 100 points. If the race director uses the FWTC age groups, there would be only 1 winner between ages 60-69. The FWTC board does not require race directors to us their age groupings.
 - d. Points are given based on how participant finishes compared to other FWTC members.
